## IMPERIAL® DABMAN Car 1

The IMPERIAL DABMAN Car automobile radio provides you with chrystal clear digital radio sound experience while on the road. The comfort car radio is equipped with a dual tuner which covers the reception of digital DAB+ as well as analogue FM radio signals. Bluetooth hands-free mode as well as SD card playback of MP3 and WMA files is supported, furthermore the AUX in connector on the radio's front panel makes the connection of an external device (e.g. MP3 player) really easy. The internal amplifier features Bass Boost mode and supports a maximum output power level of 4x 25W. The large LCD display provides you with channel or title name as well as further information. The accessory covers a mounting sleeve and antenna adapters for DIN and ISO.

### Highlights

- DAB+ & FM radio reception in your car
- Preset for 18 DAB+/FM stations (preset buttons FM only), AME, FM Moo/stereo selector, digital clock display
