IMPERIAL® DABMAN i250

The IMPERIAL DABMAN i250 combines the features of a DAB+ and FM radio with the huge possibilities of internet radio and home networking. Being capable of receiving digital and analogue radio signals via DAB+ and FM as well as internet radio stations, the DABMAN i250 may also be connected to mobile devices via UPnP. Bluetooth mode allows to either use the DABMAN i250 as a receiver (e.g. play back music from external devices) or as a transmitter (stream audio signals from the DABMAN i250 to external devices). A range of features such as plug & play installation, time display, multilingual menu and alarm clock mode top off the list of useful functions, making the IMPERIAL DABMAN i250 one of the best hybrid radios in its class.

Highlights

- DAB+, FM RDS and internet radio
- Bluetooth receiver and transmitter mode as well as UPnP/DLNA compliant
